PASS MARK

70 points

WRITING

≈ 180 words

What's in the test

PART	WHAT YOU DO	POINTS	TIME*
Listening	Listen to a recording and answer 10 questions: multiple choice (a, b or c), then true or false.	10	10'
Reading	Read a text (about 620 words) and answer 10 questions with words from the text: 1–4 short answers (no more than three words and/or a number), 5–7 complete sentences (no more than two words), 8–10 complete a summary (one word only).	20	20'
Vocabulary	1–5: find a word or short phrase in the text for each meaning. 6–10: word formation — change the word in CAPITALS to fit the sentence (e.g. HELP → helpful).	10	5'
Grammar	Complete 20 sentences with the correct form of the word(s) in brackets — you may need more than one word (e.g. have been waiting). If there are no brackets, write one word.	20	10'
Writing	Write an article for a magazine or website — about 180 words. Answer every point in the task.	40	20'
*Suggested time. Keep the last 5 minutes to check your answers.		100	70'

How your answers are marked

- ✓ The test is on paper, in class. Write your answers clearly on the test paper — your teacher marks it.
- ✓ **Spelling counts.** A misspelt word can lose the point — in grammar the form must be exactly right.
- ✓ Short and full forms are both correct: *didn't* = *did not*.
- ✓ Write only the missing word(s), not the whole sentence. "No more than three words" means three at most.
- ✓ Your teacher marks the writing: 4 criteria × 10 points.

To pass, you need **70 points out of 100.**

The writing task

Article for a magazine or website

≈ 180 words · 40 points

10 POINTS EACH

Content — every point of the task is answered.

Vocabulary — a range of words from these units, spelt correctly.

Organisation — paragraphs, linking words, a clear start and end.

Grammar — correct tenses and forms, including the grammar above.

Before the test

- 1 Revise the grammar and vocabulary of Units 7–12 — in your Navigate B2 coursebook and workbook.
- 2 Take the practice test “**Final Practice**” on the Sevenine platform. Same parts without listening — you can take it any time.
- 3 Learn how to spell the new words — spelling counts.
- 4 Practise writing an article for a magazine or website of about 180 words in 20 minutes.

During the test

- 1 Read every instruction: how many words to write, and which paragraph to look in.
- 2 Reading questions use other words (synonyms). Find the same idea in the text, then copy the words exactly.
- 3 In grammar, look for time words (*yesterday, since, next week*) — they tell you the tense.
- 4 Don't leave a gap empty — a good guess can still get the point.
- 5 Writing: plan for 2–3 minutes, answer every point, then check spelling and tenses.

Good luck!
